

OUR EDUCATIONAL PACKAGES

We offer four different types of lesson which focus specifically on the 'Living Things and Their Habitats' and 'Animals Including Humans' sections of the Key Stage 1 and 2 curriculums and the content of each lesson is tailored depending on your requirements.

A: THE HOBBLER GUIDED TOUR

This involves a curated guide around the different animal walkthroughs we have examining the different types of animal species we have and their habitats.

B: INTERACTIVE ANIMAL EXPERIENCE

This lesson allows the students to get up close to one of the animals and learn about specific features of the animal and how these suit their specific lifestyles and habitats. Please note we cannot always guarantee your choice of animal in these sessions.

C: LAYERS OF THE RAINFOREST

This a classroom based session run by Katie our Zoo Education Manager and qualified teacher based in our brand new Hobbledown Playhouse and will feature many of the animals that live in the rainforest and how the amazing diversity of the rainforests impact their lifecycles.

D: MINI BEASTS

This classroom based session allows children to get up close and personal to invertebrates such as giant snails, cockroaches and stick insects and helps them understand how they differ from vertebrates.

ALSO AVAILABLE:

Packed lunches – adapted for specific allergies if required.

Private rooms – available for groups of up to 50 or from 50 to 100 if you need somewhere to lock valuable or regroup during the day.

High Ropes sessions – get some exercise completing the high ropes aerial adventure (suitable for children over 1.3m tall).

Archery or Nerf Sessions – supervised games that can be added to your day. Age restrictions apply.

Hobbledown Goody Bags – don't leave Hobbledown empty-handed, take away souvenirs that reflect the learning experience of the day.

PRICES & BOOKING INFO

Booking is easy – we don't require a deposit and you can cancel your booking at any time without a charge.

Our dedicated schools booking manager Hannah Jones is waiting to help you with your booking, just email her at schools@hobbledown.com or download the booking form online and email it back to us available at www.hobbledown.com/schools

SCHOOLS

WELCOME TO HOBbledOWN

Hobbledown offers an excellent day out for school visits and the Hobblers want to make sure the teachers enjoy the day just as much as the children!

That starts with us offering you all the resources you need to make the most of your visit. We want this day to be easy to organise and stress free.

FREE TEACHER PLANNING VISITS

We offer free familiarisation visits to all teachers and their children. These happen on set dates, twice a year. If you would like to book for the next teacher familiarisation day, simply email schools@hobbledown.com to request your tickets.

FREE TEACHER TICKETS

As safe as Hobbledown is, children still need to be supervised at all times. To aid in this supervision, all accompanying teachers are complimentary up to the number of children within your school group.

FREE ACTIVITY SHEETS AND LESSON PLANS

We have created a range of fun activities and lesson plans your class can do before, during and after their visit to Hobbledown. Suitable for Reception through to Key Stage 2, Schools can download all of this information from our website: www.hobbledown.com/schools
